

ROČNÍ OBDOBÍ

Příprava materiálu :

- Soubor vytiskněte, čtverečky s obrázky a kartičky vystříhnete.
- Děti mají za úkol přiřazovat obrázky, které znázorňují dané roční období ke kartičkám se stromy. Stromy představují roční období.

A tree with pink blossoms and green leaves, set against a pink circular background. Below the tree is a small patch of green grass. The entire scene is enclosed in a pink rounded rectangular border.

A tree with green leaves and red apples, set against a green circular background. Below the tree is a small patch of green grass. The entire scene is enclosed in a green rounded rectangular border.

A tree with yellow and orange leaves, set against a yellow circular background. Rain is falling from a blue cloud above. Below the tree is a small patch of brown ground with a mole and worms. The entire scene is enclosed in a yellow rounded rectangular border.

A bare tree with snow on its branches and ground, set against a blue circular background. Snowflakes are falling. The entire scene is enclosed in a blue rounded rectangular border.
